Humor Corner

A school teacher injured his back and had to wear a plaster cast around the upper part of his body. It fit under his shirt and was not noticeable at all.

On the first day of school, still with the cast under his shirt, he found himself assigned to the toughest students in school.

Walking confidently into the rowdy classroom, he opened the window as wide as possible and then busied himself with desk work.

When a strong breeze made his tie flap, he took the desk stapler and stapled the tie to his chest.

He had no trouble with discipline that year.

Brick Orders: Please return completed brick orders, so that we can get them into the computer ready to place the order. Deadline is August 31. Thank you.

PASTOR'S NOTE: The goodness of the Lord is boundless...

We continue to reflect on the theme of Jesus as the life-giving bread. The importance of understanding the meaning of Jesus as the Bread of life, is underscored in the readings these few weeks. Jesus is the nourishment we require to do the will of the Father here in this world. This strengthening of the Prophet is portrayed in the first reading where God gives bread to Elijah, to strengthen him. This strengthening is done, to continue on the mission that was entrusted to him. When Jesus talks about giving us his flesh to eat, we are reminded of the great sacrifice he made on the cross, where he allowed himself to be crucified for our sake. To eat of his flesh is to be made more like Jesus by doing the will of the Father, just as Jesus did the will of the Father. This involves becoming more compassionate, forgiving and loving. As St. Paul reminds us, to be nourished by Jesus is to have the strength to do all that Jesus has asked us to do. To be imitators of God. When we feed ourselves of the Bread of Life, we become more close to the ways of Christ and our lives will reflect the goodness of the Lord. Thus we are made courageous to live a life of love.
