### Church Humor

An elderly gentleman had serious hearing problems for a number of years. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100%.

The elderly gentleman went back in a month to the doctor and the doctor said, "Your hearing is perfect. Your family must be really pleased that you can hear again."

The gentleman replied, "Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!"

**Please return completed brick orders, so that we can get them into the computer ready to place the order. Please do not wait until the deadline. Thank you.**

**PASTOR'S NOTE: Compassion leads to action...** Having felt compassion for the people who were 'like sheep without a shepherd', Jesus now does something to care for them. The immediate need of the people was to have something to eat, because they were hungry after their long walk. This is where he stresses the need for participation by human beings in the powerful actions of God. 'He himself knew what he was going to do', but he asks the disciples to find a solution. Since the only solution they could come up with was to bring a boy who had five loaves and two fish, they do exactly that. That was enough for Jesus to perform one of the greatest miracles he ever did. The willingness of the boy to part with what was really important to him, resulted in Jesus feeding the five thousand men. The simple act of generosity leads to a great miraculous deed. The compassion of the Lord is made visible in the way we are treated, because, 'the hand of the Lord feeds us; he answers all our needs'. God can work miracles in our lives, when we are transformed by his compassion and moved to action. This also happens in our lives, when we are able to come together and make a difference in the lives of others, through acts of kindness.

I would like to thank everyone who has been working so hard with the Food Pantry, with unloading and packaging of the groceries and its distribution. **Thank you** for your commitment to the Parish family and the George West community. It is your hard work and generosity that makes our Parish what it is. Let's continue to be a blessing to others.

**We will have a Mission Appeal** on the weekend of **August 4 & 5, 2018**, Fr. Chinna Pagidela serving in the Diocese of San Angelo, will give a mission appeal on behalf of Religious Sisters of the Society of Jesus, Mary and Joseph at our parish. Sisters bring hope and the love of Jesus, Mary and Joseph to people living in impoverished conditions. Our financial support will be used in areas like providing Health Care, Education, Orphanages/Adoption Centers, Shelter/Rehabilitation Homes, Social Services and Centers for Pastoral & Evangelization to spread the Gospel. Please help ease their struggle and strengthen the Church by giving generously to this Appeal. Your generosity makes it possible for these missionaries to bring Christ to the poor.
